## Dear Lincoln Centennial Families,

It's so hard to believe it's already June and we are thinking about the end of another school year. It has most definitely been another memorable one - for lots of different reasons! Through it all our students, staff and families have continued to persevere and rise to each challenge that has presented itself. Return to in-person learning with changing safety protocols, different school routines and structures, intermittent learning from home throughout the year are just a few to mention. We would like to thank all of you for your continued support and commitment to learning despite these challenges. Thank YOU for sharing your children with us and making our community so awesome!

This month we look forward to our year end trips, track and field, intermediate 3-pitch, popcorn Tuesdays/ice-cream Fridays and some fun spirit days. A reminder that report cards will be coming home on June 28th and our last day of school for students is June 29th.

Please look for our **Summer Newsletter**, to be distributed with report cards. In this newsletter additional information with regards to next year's class organization and staffing changes will be shared.

On behalf of the staff at Lincoln Centennial, we thank you for your ongoing support.

Sincerely,  
Mrs. Phillips & Mrs. Parkhouse

Last Day of  
School is  
Wednesday,  
June 29th,  
2022

WE ARE UNITY

Father's Day is  
Sunday, June 19th.  
Happy Father's Day to  
all of our Lincoln  
Centennial Caregivers!

## Graduation

We look forward to celebrating our Grade 8 students who will be moving on to high school next year, on June 22nd at our Graduation Celebration!

## REPORT CARDS

It's time to celebrate your child's hard work over this school year!

Students will receive their final Report Cards on Tuesday, June 28th, 2022.

Following the Ministry's framework, the Kindergarten Communication of Learning will be based on educators' observations of key learning and growth in learning.

Report card grades for students in Grade 1 to 8 will reflect student work completed and evaluated during both in-person and online learning this term.

As always, if you have any questions about student progress, please feel free to contact your child's teacher.

## Class Placements for 2022-2023

If you are leaving the Lincoln Centennial School area this summer, we would appreciate knowing this information as we plan our class organization and staffing needs for September. Please contact the school office and inform us of your intended move.

If you know of a family who has moved into our area, please let them know that they should register with us before the end of the year.

Student class placements will be available on the first day of school, September 6th, 2022. Please know that class placements will not be finalized until the end of the second week of September when our enrollment numbers will be confirmed. If you have any questions about this, please do not hesitate to contact Mrs. Phillips.

## School Health Newsletter

### Sun Safety

When enjoying the outdoors and getting some natural Vitamin D, Public Health would like to remind kids and adults to use proper protection from the sun.

**Slap** on a hat

**Slop** on sunscreen

**Slide** on sunglasses

**Slip** on protective clothing

Check out [The Canadian Cancer Society's Enjoying the Sun](#) for sun safety tips and information on protecting toddlers and children. For additional information, visit Niagara Region Public Health's [website](#)

### Identifying Ticks During COVID-19

Now that the warmer weather has arrived, so has tick season in Ontario. NRPH offices are currently closed to public access, but if you remove a tick, you can have it identified by:

[Downloading a free app](#) and uploading photos of the tick for identification

OR

Take a picture of the tick and submit it to [inspect@niagararegion.ca](mailto:inspect@niagararegion.ca)

If more information is required once the tick has been identified, individuals can contact a Duty Officer directly at 905-688-8248 ext. 7590. Tick identification services will resume when our offices reopen to the public. General tick information can be found on our [Niagara Region Public Health website](#).

### Supporting Parents During the Summer

[Niagara Parents](#) continues to offer free programs and services to support parents and families.
